About Brand

The brand RASHA PARTS from IRAN stands for a complete range with around 6000 types of parts and tires for commercial vehicle with guaranteed quality and comprehensive service offerings. With 16-year history, RASHA PARTS has always tried to provide top quality products to consumers by creating a strong supply chain through specialists at our office in China.

This team has had long history of representing DOUBLE COIN tires for many years and after successfully supplying tires for commercial vehicles it has entered the market of supplying spare parts for commercial vehicles. Supplying high-quality Dongfeng and Foton truck parts is the specialty of this group in spare parts. Customers' long-term trust in the brand is rewarded – with a 24-month brand guarantee on the complete range.
